Booking Conditions

The following Booking Conditions form the basis of your contract with Superbreak Mini Holidays Limited of Eboracum Way, York YO31 7RE. A summary of these conditions is shown below – please read them carefully as they set out our respective rights and obligations. Full details of our standard Booking Conditions are available upon request from Superbreak Mini Holidays, Eboracum Way, York YO31 7RE, can be viewed on our website www.superbreak.com and will be provided with your booking confirmation.

PACKAGE HOLIDAYS

If you book a package holiday through us, once your package holiday has been confirmed we will accept responsibility for it in accordance with these Booking Conditions as an "organiser" under the Package Travel, Package Holidays and Package Tours Regulations 1992. A "package holiday" is a combination of at least two out of (a) transport, (b) accommodation or (c) other tourist services (not ancillary to any transport or accommodation and forming a significant part of the arrangements) where booked through us at the same time, for which payment is made to us and which last at least 24 hours or include overnight accommodation.

1. Making your booking & Payment

Subject to availability, we will confirm your holiday by issuing a confirmation invoice to the party leader or your travel agent. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information which appears on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. Full payment is required at the time of booking (including all applicable insurance premiums). Bookings made within 14 days of departure should be paid by credit or debit card at the time of booking. If we do not receive all payments due (including any surcharge) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. All monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until we issue our confirmation invoice. After that point, your agent will hold the monies on our behalf.

2. Your contract

A binding contract between us comes into existence when we despatch our confirmation invoice. This contract and all matters arising out of it are governed by English law as detailed in our standard Booking Conditions.

3. The cost of your holiday

The prices advertised in this brochure are subject to availability and include all service and VAT (VAT is included at 15% for the period 1 Dec 08-31 Dec 09 and 17.5% thereafter) or the appropriate local taxes. Please note that the hotel rates and meals as described in the brochure may not apply over Easter/Christmas/New Year or Fair dates. The information and prices shown in this brochure may have changed by the time you come to book your holiday. Whilst every effort is made to ensure the accuracy of the brochure and prices at the time of printing, regrettably changes and errors do occasionally occur. You must check all details of your chosen holiday (including the price) at the time of booking.

4. Changes and Cancellation by you

An amendment fee of £15 per booking (unless it is to increase the value of the booking) will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers.

Should you or any member of your party need to cancel your booking once it has been confirmed, the party leader must immediately advise us (by post, telephone or email). If a person is prevented from travelling, we will agree to that person's booking being transferred to another person who satisfies all the conditions applicable to the booking, subject to both persons accepting joint and several liability for full payment of the booking and our charge for confirming the transfer and any additional costs arising from the transfer. Your notice of cancellation will only be effective when it is received in writing by us at our offices. The following cancellation charges will be payable.

Cancellation Charge Per Person Cancelling	
Period before departure within which written notification of cancellation is received by us	UK Holidays
More than 28 days	10%
1-28 days	20%
On or after day of arrival	100%

The following charges apply to Theatre, Concert, Theme Park & Attraction Breaks and Event & Entertainment Breaks (we recommend that you take out the insurance detailed):-

i) 100% cancellation charge if you cancel at any time after confirmation of your holiday. However, we will, where possible seek to mitigate the charge by reselling any appropriate element of the break, although this may not be possible in all circumstances.

ii) We cannot be held liable for the cancellation of a show/event or the non-appearance of any particular cast member in a theatrical performance unless we state otherwise in writing. If there is a significant change to your booking as a result of one of the aforementioned circumstances we will firstly provide you with as much notice as possible (unless the significant change has happened within 48 hours of the show/event/activity experience). If we have been able to notify you in writing of the change, you can then choose between accepting the change/alternative offered or cancelling the booking, in which case we will refund you in full for any monies paid. No refunds will be offered for significant changes within 48 hours of the show/event/activity experience unless we are refunded all or part of the face value of the tickets, which will then be rebated to you.

Where applicable, any rail tickets you have purchased through us must be returned to us unused before any refund can be given. Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/ or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly. Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

5. Insurance

We consider adequate travel insurance to be essential. Details of the policy we offer are shown elsewhere on this page. All premiums must be paid as soon as possible as cover will not be effective until we receive all applicable premiums in full. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

6. Changes and cancellation by us

Occasionally, we have to make changes to and correct errors in brochure and other details both before and after bookings have been confirmed and cancel confirmed bookings and we must reserve the right to do so. If we have to make a significant change or cancel, we will pay you compensation as set out in our standard Booking Conditions.

7. Our Liability to you

We promise to make sure that all parts of the break we have agreed to arrange, perform or provide as part of our contract with you are arranged, performed or provided with reasonable skill and care. We will accept responsibility if any death, personal injury, failure or deficiency of your arrangements is caused by any failure by ourselves or our employees (providing they were at the time acting within the course of their employment) and (but only if you have booked a package holiday from us), our agents or suppliers (as applicable) to use reasonable skill and care in performing or providing the service in question. Please note it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim. For details of circumstances when we will not accept responsibility see our standard Booking Conditions.

8. Complaints and problems

In the unlikely event that you have any reason to complain or experience any problems with your break whilst away, you must immediately inform the supplier of the service(s) in question. Any verbal notification must be put in writing and given to the supplier as soon as possible. If you are still dissatisfied, you must notify us at the earliest opportunity. If you remain dissatisfied, however, you must write to our Customer Relations Manager at the address above within 28 days of the end of the break you have purchased from us giving your booking reference and full details of your complaint. In the event that you do not notify us of the complaint within the above period, this may affect the company's ability to investigate complaints and may impact on the way that your complaint is dealt with.

9. Special requests and medical problems

If you have any special request, you must advise us at the time of booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Unless and until specifically confirmed, all special requests are subject to availability.

If you or any member of your party has any medical problem or disability which may affect your holiday, please tell us before you confirm your booking. In any event, you must give us full details in writing at the time of booking. If we reasonably feel unable to properly accommodate the particular needs of the person concerned, we must reserve the right to decline their reservation or, if full details are not given at the time of booking, cancel when we become aware of these details.

10. Financial security

For package holidays only, we operate a trust account. This arrangement means your money will be refunded in the unlikely event of our being unable to provide your break due to our insolvency.

11. Children and Infants

Any policy regarding special rates for children and infants is set out in the relevant brochure. If you contravene this policy a supplement may be payable to us or to our suppliers directly so that the correct price for the relevant service is paid. At some hotels children may be charged a flat rate for meals, whether taken or not. Where children only pay 50% of the adult rate, half portions will be served for the meals included in the package price. Certain hotels may apply restricted access times for children into leisure facilities – please ask for details at the time of booking.

12. Rail Inclusive Breaks

All breaks including travel arrangements operate using scheduled services operated by the advertised carrier or uses the appropriate rail company. Please refer to our standard Booking Conditions for further details.
