VISIT LONDON
VISITLONDON.COM

See the world. Visit London.

London is bursting with amazing museums, unique galleries and incredible attractions and it's not hard to see why it remains one of the most popular cities in the world.

The city itself is always evolving with new attractions, festivals and exhibitions, which means there is always something new to discover. Whether it's your first visit or one of your favourite destinations, you'll never be disappointed.

2009 is a celebration year for London, not only are we officially the host city for the London 2012 Olympic Games and Paralympic Games but there are many anniversaries to celebrate too. For example, it's 500 years since Henry VIII ascended to the throne, 250 years since the opening of Royal Botanic Gardens in Kew and 100 years since the opening of Selfridges department store.

There's lots of fun for all the family in London like Ripley's Believe it or Not!, ZSL London Zoo or interactive games at the Science Museum.

When the evening comes, the entertainment continues with plenty of blockbuster shows to choose from like the award winning Jersey Boys and family favourite Billy Elliot. Complete your trip to London by trying out some of London's 6000 restaurants with cuisines from around the world.

Whatever your interests and whatever your budget, you'll find lots of choice in London and I hope you enjoy your trip to the city this year.

Best wishes

London theatre breaks

Great value theatre breaks save you £££'s. The perfect choice for your special occasions.

My first night at the theatre, seeing SALAD DAYS when I was eight years old, was a truly magical experience. That memory has never left me and remains my goal for my own productions so that audiences for THE PHANTOM OF THE OPERA, LES MISÉRABLES, OLIVER! and AVENUE Q see a performance that is truly magical and exceeds their expectations.

After the curtain has fallen I want our audiences to leave the theatre having had an emotional and uplifting experience which will stay with them long after their night out in the West End "The theatre capital of the world."

On or after day of arrival	100%	100%

The following charges apply to Theatre, Concert, Special Interest, Christmas and New Year Packages, Activity, Event and Entertainment Breaks and Visitor Oyster Card (we recommend that you take out the insurance detailed on the back page):

a) Cancellation/Amendment charge i) 100% cancellation charge if you cancel at any time after confirmation of your holiday. However, we will, where possible seek to mitigate the charge by reselling any appropriate element of the break, although this may not be possible in all circumstances. ii) We cannot be held liable for the cancellation of a show/event or the non-appearance of any particular cast member in a theatrical performance unless we state otherwise in writing. If there is a significant change to your booking as a result of one of the aforementioned circumstances, we will firstly provide you with as much notice as possible (unless the significant change has happened within 48 hours of the show/event/activity experience). If we have been able to notify you in writing of the change you can then choose between accepting the change/ alternative offered or cancelling the booking, in which case we will refund you in full for any monies paid. No refunds will be offered for significant changes within 48 hours of the show/event/activity experience unless we are refunded all or part of the face value of the tickets, which will then be rebated to you.

b) Children's Prices Please ask for details.

Where applicable, any rail tickets you have purchased through us must be returned to us unused before any refund can be given.

Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly.

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

7. Insurance
We consider adequate travel insurance to be essential. All premiums must be paid at the time of booking, as cover will not be effective until we receive all applicable premiums in full. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

8. Changes and cancellation by us
Occasionally, we have to make changes to and correct errors in brochure and other details both before and after bookings have been confirmed and cancel confirmed bookings and we must reserve the right to do so.

Occasionally, we have to make a "significant change". "Significant changes" include the following changes when made before departure; a change of accommodation to that of a lower classification or standard for the whole or a major part of the time you are away, a change of accommodation area for the whole or a major part of the time you are away. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, we will offer you the choice of the following options:

- (for significant changes) accepting the changed arrangements or
- purchasing an alternative break from us, of a similar standard to that originally booked if available. If the chosen alternative is less expensive than your original one, we will refund the difference but if it is more expensive, we will not ask you to pay any more
- cancelling or accepting the cancellation in which case you will receive a full and quick refund of all monies you have paid to us.

Please note, the above options are not available where any change made is a minor one.

If we have to make a significant change or cancel, we will pay you compensation where appropriate and depending on the circumstances and the length of time before your holiday we notify you of the significant change or cancellation, subject to the following exceptions. Compensation will not be payable and no liability beyond offering the above mentioned choices can be accepted where we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care. No compensation will be payable and the above options will not be available if (1) we cancel as a result of your failure to comply with any requirement of these booking conditions entitling us to cancel (such as paying on time) or (2) we have to cancel because the minimum number of bookings necessary for us to operate your holiday has not been reached - in this case we will however, give you at least 7 days' notice.

In all cases, our liability for significant changes and cancellations is limited to offering you the above mentioned options and, where applicable, compensation.

We regret we are not in a position to offer you any assistance in the event of delay at your outward or homeward point of departure.

9. Force Majeure
Except where otherwise expressly stated in these booking conditions, we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our contractual obligations is prevented or affected by or you otherwise suffer any damage or loss (as more fully described in clause 10(1) below) as a result of "force majeure". In these Booking Conditions, "force majeure" means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events may include war or threat of war, riot, civil strife, terrorist activity or actual threatened terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, fire and all similar events outside our control.

10. Our Liability to you
(1) We promise to make sure that all parts of the break we have agreed to arrange, perform or provide as part of our contract with you are arranged, performed or provided with reasonable skill and care. We will accept responsibility if any death, personal injury, failure or deficiency of your arrangements is caused by any failure by ourselves or our employees (providing they were at the time acting within the course of their employment) and (but only if you have booked a package holiday from us), our agents or suppliers (as applicable) to use reasonable skill and care in performing or providing the service in question. Please note it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim.

We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the fault of the person(s) affected or any member(s) of their party or
- the fault of a third party not connected with the provision of your break which we could not have predicted or avoided or
- an event or circumstance which we or the supplier of the service(s) in question could not have predicted or avoided even after taking all reasonable care (see clause 9)
- the fault of anyone who is not carrying out work for us (generally or in particular) at the time.

In addition, we will not be responsible where you do not enjoy your break or suffer any problems because of a reason you did not tell us about when you booked your break or where any problems you suffer did not result from any breach of our contract or other fault of ourselves or, if you have booked a package holiday from us and we were responsible for them, our suppliers or agents or where any losses, expenses, costs or other sum you have suffered relate to any business.

We cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised in our brochure and we have not agreed to arrange them.

(2) The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws and regulations of the country in which your claim or complaint occurred if not the UK - will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the UK which would have applied had those services been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question.

(3) Where any claim or part of a claim concerns or is based on any travel arrangements (including the process of getting on and off the transport concerned) provided by any rail carrier or any stay in a hotel, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier or hotel keeper concerned would have to pay under the international convention which applies to the travel arrangements or hotel stay in question (copies available on request). Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.

(4) You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out in clause 11 below. If asked to do so, you must transfer to us or our insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to co-operate fully with us and our insurers if we or our insurers want to enforce any rights which are transferred.

11. Complaints and problems
In the unlikely event that you have any reason to complain or experience any problems with your break whilst away, you must immediately inform the supplier of the service(s) in question. Any verbal notification must be put in writing and given to the supplier as soon as possible. If you are still dissatisfied, you must notify us at the earliest opportunity. Until we know about a problem or complaint, we cannot begin to resolve it. If you remain dissatisfied, however, you must write to our Customer Relations Manager within 28 days of the end of the break you have purchased from us giving your booking reference and full details of your complaint. In the event that you do not notify us of the complaint within the above period, this may affect the company's ability to investigate complaints and may impact on the way that your complaint is dealt with.

12. Behaviour
When you book with us, you accept responsibility for any damage or loss caused by you or any member of your party. Full payment for any such damage or loss must be paid direct at the time to the accommodation owner or manager or other supplier. If you fail to do so, you will be responsible for meeting any claims subsequently made against us (together with our own and the other party's full legal costs) as a result of your actions.

We expect all clients to have consideration for other people. If in our reasonable opinion or in the reasonable opinion of any other person in authority, you or any member of your party behaves in such a way as to cause or be likely to cause danger, upset or distress to any third party or damage to property, we are entitled, without prior notice, to terminate the holiday of the person(s) concerned. In this situation, the person(s) concerned will be required to leave the accommodation or other service. We will have no further responsibility toward such person(s) including any return travel arrangements. No refunds will be made and we will not pay any expenses or costs incurred as a result of the termination.

13. Conditions of suppliers
Many of the services which make up your break are provided by independent suppliers (for example, where applicable, rail carriers and accommodation owners). Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions
(see clause 10 (3)). Copies of the relevant parts of these terms and conditions are available on request from the supplier concerned.

14. Special requests and medical problems
If you have any special request, you must advise us at the time of booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

If you or any member of your party has any medical problem or disability which may affect your holiday, please tell us before you confirm your booking. In any event, you must give us full details in writing at the time of booking. If we reasonably feel unable to properly accommodate the particular needs of the person concerned, we must reserve the right to decline their reservation or, if full details are not given at the time of booking, cancel when we become aware of these details.

15. Passports, visas and health requirements
You should check the passport, visa and health requirements which are applicable to the country(ies) which you intend to visit. Requirements may change and you must check the up to date position in good time before departure. For British Citizens, information on health is contained in the Department of Health leaflet T6 (Health Advice for Travellers) available from your local Department of Health office and most Post Offices. For European holidays you should obtain a European Health Insurance Card (EHIC) (details in leaflet T6 referred to above) prior to departure.

It is the party leader's responsibility to ensure that all members of the party are in possession of all necessary travel and health documents before departure. All costs incurred in obtaining such documentation must be paid by you. We regret we cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry correct documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly.

16. Financial security
For package holidays only, as per the Package Travel Regulations 1992, we hold a bond with ABTA. This arrangement means your money will be refunded or you will be brought back to the UK (where your contracted holiday arrangements include return travel to the UK) if already abroad in the unlikely event of our being unable to provide your break due to our insolvency.

17. Safety standards
Please note, it is the requirements and standards of the country in which any services which make up your holiday are provided which apply to those services and not those of the UK. As a general rule, these requirements and standards will not be the same as the UK and may sometimes be lower.

18. Hotel Breaks – Minimum stay and meals
Certain breaks/hotels may require minimum lengths of stay. Where a hotel offers dinner this may be table d'hote, a carvery or may sometimes be in the form of an allowance against the à la carte menu. Some hotels offer continental breakfast only. This normally consists of coffee or tea and bread rolls.

19. Saver Offers
Where a hotel features more than one offer at any one time (including 7 nights for 6), it may not always be possible to combine them – normally the most advantageous offer will be allowed. All offers are subject to availability (and are not usually available over Easter/Christmas/New Year), and may be withdrawn at any time. Leaflets and vouchers cannot be provided for bookings made within 7 days of travel, but are available for collection from our York office.

20. Children and Infants
Any policy regarding special rates for children and infants is set out in our brochure or is available on request. However, wherever possible, children stay free or at 50% of the adult price and exact prices will be confirmed when booking. Free children rates do not normally include meals which are normally paid direct to hotels as taken. If you contravene this policy a supplement may be payable to us or to our suppliers directly so that the correct price for the relevant service is paid. At some hotels children may be charged a flat rate for meals, whether taken or not. Where children only pay 50% of the adult rate, half portions will be served for the meals included in the package price. Certain hotels may apply restricted access times for children into leisure facilities – please ask for details at the time of booking.

21. Rail Inclusive Breaks
Rail inclusive breaks can be booked on line for most of our UK accommodation. Bookings must not be made for travel within 3 working days of booking as tickets are despatched from our office and cannot be collected at rail stations. Some rail inclusive offers that feature in our brochures cannot be booked on line and you need to call us to add these offers to your booking. Any differences to the booking conditions for rail inclusive breaks noted below are shown on the back of rail tickets – please check before travelling.

- The day on which you travel should coincide with the start of your break.
- For journeys to or via London, your rail ticket is not valid on trains scheduled to arrive before 10am (11am National Express East Coast, 11.30am Virgin Trains) Monday-Friday inclusive. This restriction does not apply for journeys started before 2am that day – please inform us if you intend to travel overnight and your ticket can be dated accordingly. For other restrictions see page 4.
- For rail journeys passing through London, your ticket is valid on London Underground between your arrival and departure stations.
- However, for London breaks or Heathrow Airport stopovers, London Underground travel from your mainline arrival station is not included.
- Your holiday documentation must be carried at all times and shown to a Ticket Inspector on request as our rail fares are only sold in conjunction with hotel accommodation.
- Unless otherwise requested, only one rail ticket is issued per booking and all customers must travel from the same station.
- Rail tickets may not be purchased in association with hotel bookings for single rooms for one night only Monday to Thursday inclusive.
- You should make your own seat and sleeper reservations direct with your local rail station, unless you are travelling as a group of 10 persons or more, in which case we will, on request, make your seat reservations for you. The fares quoted do not cover any incremental costs of seat reservations or sleeping car facilities.
- Some small stations are closed on Sunday and First Class travel may not be available for the entire journey. Please check before travelling as no refund can be provided where services are not available.
- Your journey may be affected by engineering works. It is your responsibility to check with National Rail Enquiries for dates and details.
- UK rail services do not operate on 25/26 December and rail travel is not available on these dates.

When you contact us to make a booking, we act as agent for all of the Train Operating Companies identified within the brochure. All tickets are issued subject to the normal conditions of the National Conditions of Carriage as published by the British Railway Board on 7 January 1997. Rail tickets are not transferable and are not valid for break of journey. Rail inclusive breaks are offered by Superbreak Mini-Holidays Limited and NOT by ATOC, Train Operating Companies or the Secretary of State for Transport. The Double Arrows symbol is a trademark owned by the Secretary of State for Transport.

22. Star Ratings
We have awarded our own star ratings which do not necessarily relate to those awarded by other organisations, but are solely designed to help you choose between the various hotels.

23. Facilities and Car Parking
- We provide as much information as possible about each hotel within the space available but you should check directly with us if you need to clarify any specific hotel description and in particular, you should note that bedroom photographs are of a room in the hotel and may not necessarily be the room allocated to you on arrival. It is also important that you check with your chosen hotel if you require any special services such as babysitting, or if you want a room with sea view, etc. Payment for such services or special requirements should be made directly to the hotel and you therefore need to check these charges with the hotel prior to making your booking.
- Where car parking and leisure facilities are available there may be an additional charge for these services, and leisure facilities may not always be in the same building as your accommodation. Again, you should check with the hotel before making your booking. Please note that car parking may be quite limited at certain hotels.
- Airport hotels offering car parking may use additional off-site parking facilities at peak times. Cars are left at owner's own risk. We accept no liability for either theft or damage to vehicles parked in hotel or off-site car parks.
- Please note that upon arrival at your hotel you may be asked for a credit card imprint or cash deposit to cover any additional expenses incurred during your stay.
